IMPLEMENTING Partners

DAY 1 TUESDAY 7 MAY 2024		
SIDE EVENT SESSIONS		
Event No.		VENUE AMPHITHEATRE HALL (2ND FLOOR)
01	14:00 – 15:30	Soil Health Revolution for Food System Transformation/Regenerative Agricultural Inputs for Sustainable Production. Organizer: The Rockefeller Foundation
02	15:30 – 17:00	Launching of the New Africa Union Great Green Wall Initiative Strategy and Ten Years Implementation Framework Organizer: African Union Commission
03	17:00 – 18:30	Dakar 2 High-Level Event on the State of Africa Fertilizer and Soil Health: Policy, Governance, and Institutional Framework to Accelerate Country Food and Agriculture Delivery Compacts Organizer: Leadership for Agriculture (L4Ag) African Development Bank
VENUE LENANA HALL, LOWER GROUND FLOOR		
04	14:00 – 15:30	Reflections on Donors and Development Partner Coordination Mechanism for SIA and AFSH-Action Plan Organizer: FARA
05	15:30 – 17:00	Advancing the Soil Initiative for Africa through the Vision for Adapted Crops and Soils Organizer: US -State Department
06	17:00 – 18:30	TBC
VENUE ABERDARE HALL, LOWER GROUND FLOOR		
07	14:00 – 15:30	What Business and Industry can do to help Implement the 10-Year Action Plan? Organizer: AFAP
08	15:30 – 17:00	Upscaling the Promises of sustainable agricultural transformation to Deliver Sustained Soil Health in Africa in a climate resilience context Organizer: CCARDESA
09	17:00 – 18:30	Propelling Data-Driven Decisions in Fertilizer and Soil Health Lessons learned from the Abuja Declaration building fertilizer data sets and developing a pathway for measuring changes in soil health. Organizer: IFDC
VENUE LAWNSTENT 1		
10	14:00 – 15:30	TBC

Event No.		VENUE LAWNSTENT 1 (Continued)
11	15:30 – 17:00	Soil Health Agenda- Integrating Organic Fertilizers with Mineral Fertilizers Policy Brief Launch (Towards Integrated Soil Fertility Management) Launch (Towards Integrated Soil Fertility Management) Organizer: Kenya Fertilizer Manufacturer Association
12	17:00 – 18:30	Managing degraded soils for reclaiming livelihoods in Africa: An Actionable Framework for Guiding Fertilizer and Soil Health Investments at Scale Organizer: AGRA
		VENUE LAWNSTENT 2
13	14:00 – 15:30	Partnering For A Pan-African Soil Information System Organizer: YARA
14	15:30 – 17:00	Sustainable Agricultural Transformation In Africa Through Improved Nutrient Stewardship Organizer: APNI
15	17:00 – 18:30	Leveraging Policy, Practice and Research for Monitoring Soil Health Organizer: AUDA-NEPAD
		VENUE LAWNSTENT 3
16	14:00 – 15:30	Integrated soil health management for productive, inclusive, sustainable farming and food systems in Africa: Exploring the role of agroecology and regenerative agriculture Organizer: DeSIRA-Lift
17	15:30 – 17:00	TBC

18	17:00 – 18:30	The Organic Business Case: Enabling an environment for private sector development in East and West Africa for organic fertilizer production. Organizer: OFIMAK
Event No.		VENUE LAWNS TENT 4
19	14:00 – 15:30	Revitalizing Africa’s Agriculture - Repurposing Fertilizer Subsidies for Healthier Soils Organizer: ClimeEat
20	15:30 – 17:00	Strengthening National Soil Information Systems - A Framework for Sustainable SIS Intervention Design Organizer: CABI
21	17:00 – 18:30	Healthy Soils for Food System Transformation – Innovative Agronomic Solutions for Africa Organizer: TAAT Excellence in Agronomy
		VENUE LAWNS TENT 5
22	14:00 – 15:30	Facilitating Cross country Learning for Implementing Post-Summit Actions on Fertilizer and Soil Health in Africa Organizer: AGRA
23	15:30 – 17:00	Strengthened partnerships for food security and agricultural development: Leveraging fertilizer and soil health initiatives for food security and poverty Alleviation within the caadp framework and post malabo agenda Organizer: NORWEGIAN
24	17:00 – 18:30	Importance and benefits of integrated landscape soil and water management to optimize fertilizer use and soil health across agricultural land uses. Organizer: IWMI (Cocktail Function)
		VENUE LAWNS TENT 6
25	14:00 – 15:30	The Role of Soil Health in Multifunctional Landscapes and Climate Change Organize: International Crops Research Institute for the Semi-Arid Tropics (ICRISAT)
26	15:30 – 17:00	Mapping Organic Feedstock Sources in Africa: A Step Towards Nature Positive Fertilizer Production Organize: IFDC
27	17:00 – 18:30	TBC
		VENUE LAWNS TENT 7
28	14:00 – 15:30	How the debt crisis affects food and farm inputs markets in Africa. Organize: AfDB
29	15:30 – 17:00	Pathways to resilient fertilizer markets Using evidence-based learning to drive policy measures and government strategies for building resilient fertilizer markets for food security Organize: AFAP

30	17:00 – 18:30	<p>Completing the Integrated Soil Fertility Management Principles: Organic and Auxiliary Inputs</p> <p>Organize: IITA</p>
Event No.		VENUE LAWNS TENT 8
31	14:00 – 15:30	<p>Importance and benefits of integrated landscape soil and water management to optimize fertilizer use and soil health across agricultural land uses.</p> <p>Organize: AFSA</p>
32	15:30 – 17:00	<p>Increasing soil health and agronomic performance through private and public investments</p> <p>Organize: Wealthungerlife</p>
33	17:00 – 18:30	<p>Digging Deeper: Advancements in Soil Health Monitoring for Sustainable Food Systems and Climate Resilience</p> <p>Organize: CA4SH</p>
		VENUE LAWNS TENT 9
34	14:00 – 15:30	<p>Achieving Resilient Agri-Food Systems through Regenerative Agriculture in the Wake of Global Fertilizer Crises and Climate Change: Innovations and approaches for Improving Soil Health and Sustainable Intensification</p> <p>Organize: Sasakawa Africa Association</p>
35	15:30 – 17:00	<p>Country plans for integrating the Africa Fertilizer and Soil Health (AFSH) action plan into national climate and food security policy framework</p> <p>Organize: AfCAP</p>
36	17:00 – 18:30	<p>Awareness of emerging and disruptive technologies and innovations that have the potential to enhance regional fertilizer supply, application and use efficiency, and help stakeholders to seize these opportunities</p> <p>Organize: IFA</p>

#AFSH24

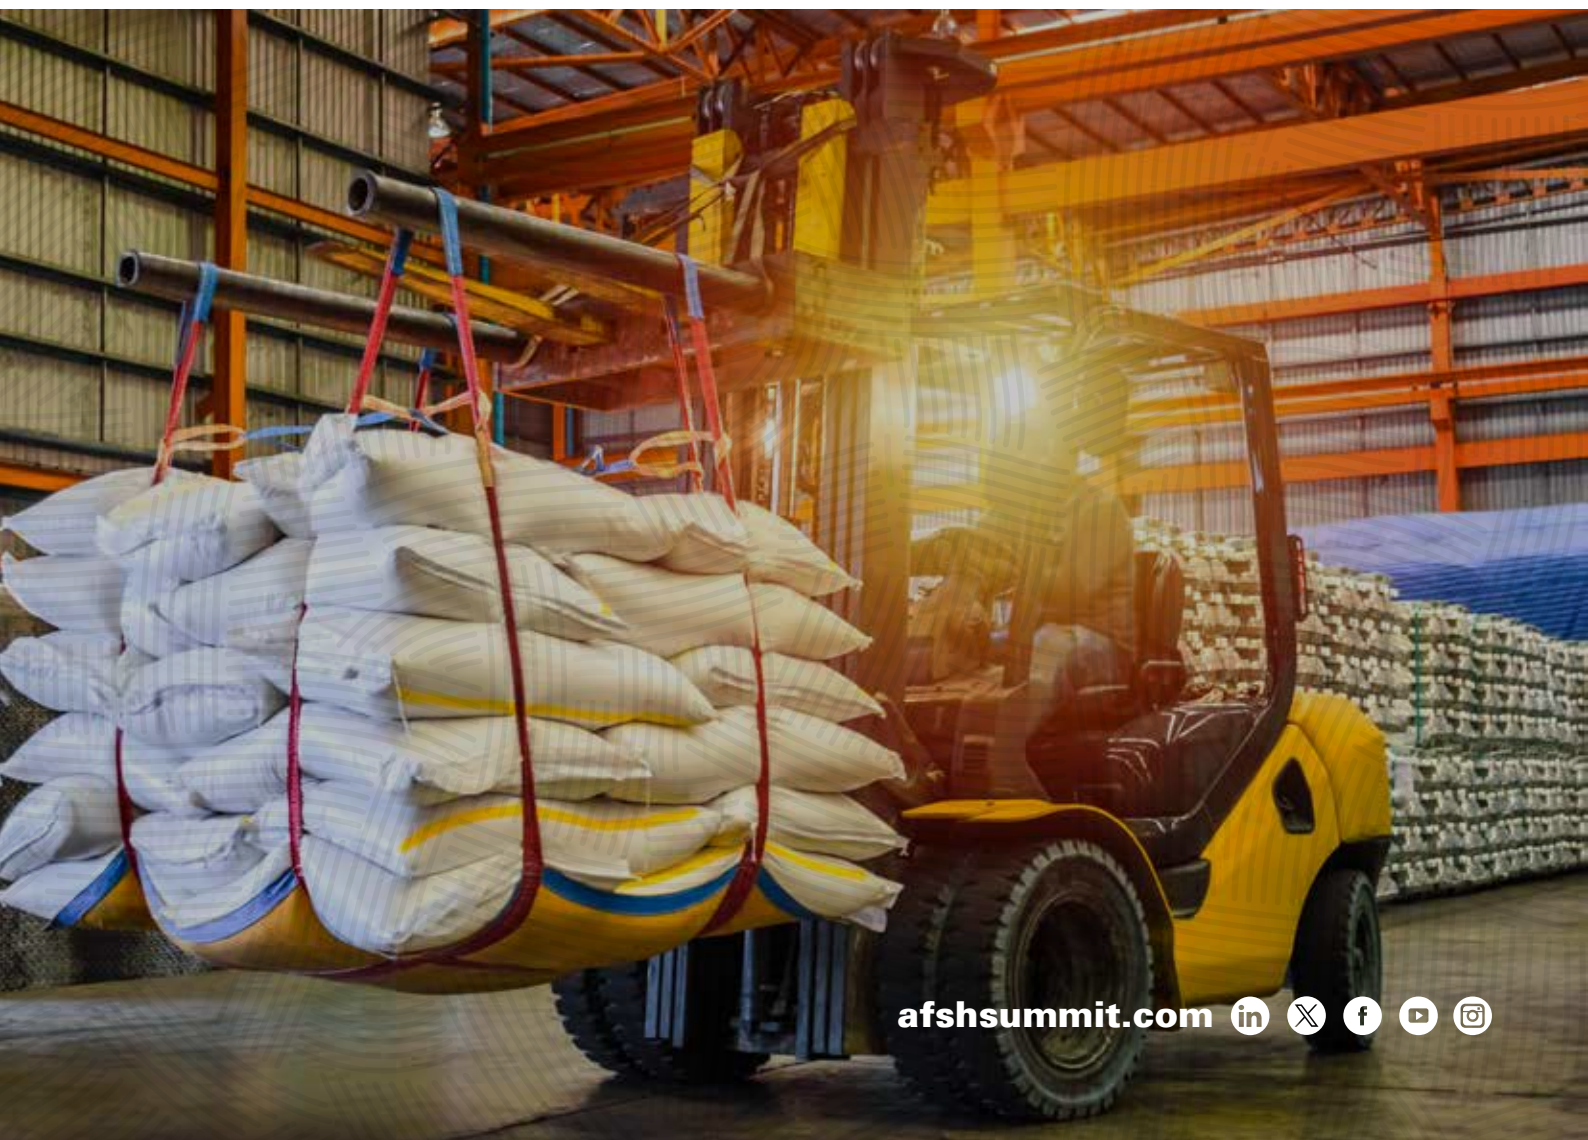

END OF DAY

PROGRAMME

DAY 2 WEDNESDAY 8 MAY 2024		
SIDE EVENT SESSIONS		
Event No.		VENUE AMPHITHEATRE HALL (2ND FLOOR)
37	14:00 – 15:30	Monitoring soil health and soil health investments at different scales Organization: EC (DG_INTPA)
38	15:30 – 17:00	Sustainable Soil Fertility Management: A Paradigm Shift via a Diverse Solutions Portfolio Organization: FAO
VENUE LENANA HALL LOWER GROUND FLOOR		
39	14:00 – 15:30	Using mineral fertilizers in agroecological approaches in Africa Organization: CIRAD
40	15:30 – 17:00	Soil Information Systems in Africa & Digital Content and Platforms for Smallholder Framers Organization: The African Centre for Women, Information and Communications Technology (ACWICT)
VENUE ABERDARE HALL, LOWER GROUND FLOOR		
41	14:00 – 15:30	Complementary restorative approaches to improve soil health and fertilizer use. Organization: Alliance of Bioversity-CIAT
42	15:30 – 17:00	Soil Matters: Cultivating Change for Africa's Food Systems Transformation through Evidence-based Policy and Practice Organization: CA4SH
VENUE LAWNSTENT 1		
43	14:00 – 15:30	Improving Soil Health through Empowering Women Farmers Organization: IFPRI
44	15:30 – 17:00	Harnessing Digital Agricultural Services for Enhanced Soil Health and Water Management Organization: ICIPE
VENUE LAWNSTENT 2		

45	14:00 – 15:30	Organics is How: Building a business case of scientific and investment rationale for the combined utilization of inorganic fertilizers and organic resources. Building on experiences from Ghana, Burkina Faso, Kenya and Ethiopia Organization: AGRA
46	15:30 – 17:00	Leveraging High-Performance Organic Bio-stimulants for Agricultural Transformation in Africa Organization: HJA Africa
Event no.		VENUE LAWNS TENT 3
47	14:00 – 15:30	Multi-stakeholder action for reliable agro-bioclimatic solutions to ensure sustainable soil management Organization: IITA
48	15:30 – 17:00	Ethiopia’s Path to Sustainable Soil Management Through Collaborative Partnerships Organization: Ministry of Agriculture of Ethiopia, Natural Resources Management Sector
		VENUE LAWNS TENT 4
49	14:00 – 15:30	Agroecological and organic farming systems in Africa – transformation towards system resilience and sustainable production and consumption Organization: KHEA
50	15:30 – 17:00	Vision to Reality: West Africa & Sahel’s Fertilizer and Soil Health Declaration and Roadmap Organization: WAFA
		VENUE LAWNS TENT 5
51	14:00 – 15:30	Coalition of Implementers for Fertilizer and Soil Health Organization: APNI
52	15:30 – 17:00	Integrating the Gender Perspective into the post-Africa Fertilizer and Soil Health Summit Framework Organizer: AFAP South Africa
		VENUE LAWNS TENT 6
53	14:00 – 15:30	World Bank’s Support For Fertilizer And Soil Health Development In Africa Organizer: WorldBank
54	15:30 – 17:00	Development of an Evolving Pan-African Decision Support Tool and Rock Phosphate Activation Project for Enhanced Crop Production Organizer: OCP
		VENUE LAWNS TENT 7

55	14:00 – 15:30	Leveraging the African Union Climate Change and Resilient Development Strategy and Action Plan (2022-2032) to achieve a triple-win for healthy soils, climate resilience and food security. Organizer: Sustainable Environment and Blue Economy (SEBE) Directorate of the African Union Commission (AUC)
56	15:30 – 17:00	Revisiting the 2006 Abuja Fertilizer Declaration with Nitrogen use efficiency and yield-gap lenses. Organizer: Kenyatta University
Event no.		VENUE LAWNSTENT 8
57	14:00 – 15:30	TBC
58	15:30 – 17:00	Operationalizing the Fertilizer and Soil Health Framework at National Level: Multistakeholder Collaboration for Results at Scale Organizer: CRS
		VENUE LAWNSTENT 9

59	14:00 – 15:30	<p>Envisioning the Role of African Research and Training Institutions in Shaping Policy Reforms for Fertilizer and Soil Health Programmes Across Africa</p> <p>Organizer: RENAPRI</p>
60	15:30 – 17:00	<p>A sustainable food secure future for West Africa and the Sahel: Launching a new regional hub for strengthening the fertilizer sector and improving soil health.</p> <p>Organizer: IITA</p>
END OF DAY
